4.01 CIVIL SERVICE ORDINANCE {8/5/03}

(1) Purpose. It is the intention and purpose of this ordinance to provide an equitable system of recruitment, selection, promotion, and retention for Kenosha County Sheriff's Department Deputies. It is further intended to provide the necessary guidance for the operation of the Kenosha County Sheriff's Department in the areas that are applicable.

(a) There is established a County Civil Service Commission for the Sheriff's Department, hereinafter referred to as the "Commission", with duties, functions, and authorities as herein set forth, pursuant to Wisconsin Statutes.

(b) The Commission shall consist of five (5) members, all legal residents of Kenosha County. Appointments shall be made on the basis of recognized and demonstrated interest in, and knowledge of, problems of civil service. No person holding any elective or appointive public position or office of any sort in said Kenosha County government shall be appointed thereon. No present or former employee of the Kenosha County Sheriff's Department shall be eligible for membership on the Commission.

(c) The County Executive shall appoint members of the Commission subject to confirmation by the Board of Supervisors. Of the persons appointed, one shall hold office for one (1) year, one for two (2) years, one for three (3) years, one for four (4) years, and one for five (5) years, from January 1 next following such appointment, and until his successor is appointed and qualifies. In December immediately preceding the expiration of the term of office of any such Commissioner, the County Executive shall appoint, subject to confirmation by the Board of Supervisors, one (1) member of such Commission to hold office for five (5) years from January 1 next succeeding his appointment and until his successor is appointed and qualifies. The Office of the Commissioner shall become vacant upon the happening of any of the following:

1. The death of the incumbent.
2. The person's resignation, whether oral or written.
3. The person's removal.
4. The person's ceasing to be a resident of Kenosha County.
5. The person's neglect or refusal to take the official oath and/or file the official bond within thirty (30) days after appointment.

Such vacancy shall be filled by appointment of the County Executive at the first meeting of the County Board thirty (30) days after the vacancy occurs, confirmed by a majority of the County Board of Supervisors present.

(d) The membership and terms of the members of the present Commission shall continue on the same manner as though this section had never been adopted.
(e) Every person appointed a member of such Commission shall take and file the official oath.

(f) The members of the Commission shall be entitled to receive compensation from the County for services actually rendered in conducting the authorized business of the Commission, which compensation shall be determined by the Board of Supervisors, plus mileage at the prevailing rate when such services are rendered.

(g) The Commission shall promptly organize and elect a Chairman whose term of office shall be one year and a Secretary whose term of office shall be one year, each to serve for one year from the date of election until a successor has been duly elected. The Secretary shall approve the minutes of the proceedings of the Commission and said minutes shall be preserved and kept on file. All meetings of the Commission shall be at the call of the Chairperson, or upon written request of any two (2) members directing the Secretary to hold such meeting, and three (3) Commissioners shall constitute a quorum. The Commission shall make such rules and regulations as may be required for the ordinary conduct of its business.

Members of the Commission may participate in any meeting of the Commission, with the exception of deputy sheriff candidate interviews, by means of conference telephone/videoconference or similar communication equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this method shall constitute presence in person at such meeting and the person appearing through these means shall be entitled to vote and take all actions allowed by the Commission.

(h) The Board of Supervisors shall provide offices, furniture, stationery, light, heat, telephone, secretary, and other necessary supplies and conveniences to enable the Commission to perform its duties.

(2) Rules of the Kenosha County Civil Service Commission.

(a) The Civil Service Commission shall appoint the Director of Human Resources to act as chief examiner under its direction. As such, the Director of Human Resources shall supervise all examinations. The Commission shall send a written notice, by certified mail, to all disqualified candidates informing them of the reason for their disqualification. Should the sheriff decline the offer of representation by the corporation counsel's office, the county shall assume no liability for legal fees incurred by the sheriff. In the event of representation by the corporation counsel's office, it shall be understood that the sheriff retains his right to seek outside counsel at his own expense, and furthermore, in so representing the sheriff, he shall hold harmless the county for providing his legal defense. Legal fees incurred by the sheriff in defending an action shall only be paid by the county should the corporation counsel's office refuse or be unable to defend the sheriff. Notice of such expenses shall be given to the Finance Committee as provided in section (1)(b). Reasonable and necessary costs and expenses (excluding attorney fees) not covered by a policy of insurance and incurred in the defense of civil actions commenced against the sheriff in his official capacity shall be paid by the county pursuant to the guidelines set forth in section 895.35 of the Wisconsin Statutes regardless of representation by the corporation counsel's office, provided, however, that the county shall in no event pay for any costs and disbursements arising out of such action unless evidence is presented to the finance committee substantiating the indebtedness for such costs and disbursements.
(3) Actions Against Non-Civil Service Appointees of the Sheriff.

If a non-civil service appointee of the sheriff is a defendant in any action or special proceeding and is proceeded against in an official capacity or is proceeded against as an individual because of acts committed while carrying out duties as a non-civil service appointee of the sheriff and the jury or the court finds that the defendant was acting within the scope of employment, the judgment as to damages and costs entered against the non-civil service appointee of the sheriff in excess of any insurance applicable to the officer or employee shall be paid by Kenosha County. Regardless of the results of the litigation, the county, if it does not provide legal counsel to the non-civil service appointee of the sheriff, shall pay reasonable attorney fees and costs of defending the action, unless it is found by the court or jury that the defendant non-civil service appointee of the sheriff did not act within the scope of employment. Failure by the non-civil service appointee of the sheriff to give notice to the sheriff of an action or special proceeding commenced against the defendant non-civil service appointee of the sheriff as soon as reasonably possible is a bar to recovery by the non-civil service appointee of the sheriff from the county of reasonable attorney fees and costs of defending the action. The attorney fees and expenses shall not be recoverable if the county offers the non-civil service appointee of the sheriff legal counsel and the offer is refused by the non-civil service appointee of the sheriff. If the non-civil service appointee of the sheriff refuses to cooperate in the defense of the litigation, the non-civil service appointee of the sheriff is not eligible for any indemnification or for the provision of legal counsel by the County under this ordinance.
