PROGRAM SCHEDULE
TRIBAL AND LOCAL LAW ENFORCEMENT AGENCY INITIATIVE

This Program Schedule outlining the Tribal and Local Law Enforcement Agency Initiative (the “Program”) is attached to and incorporated into the Memorandum of Understanding Regarding Use of ARPA Funds (“MOU”) between DOA and Grantee.

Award Amounts and Permissible Uses:

Program: Tribal and Local Law Enforcement Agency Initiative

Award Amount: Each tribal and local law enforcement agency in the State of Wisconsin (referred to herein as “LEAs” or “Grantees”) has been allocated a certain sum (its “Allocation”) based on the size of the population it serves, with an add-on for LEAs serving communities where violent crime exceeds the state average. The Allocation for each LEA is available on the program website (https://doa.wi.gov/Pages/LocalGovtsGrants/leagrant.aspx) and incorporated by reference herein.

Program Duration: An LEA may use its Allocation to reimburse eligible expenditures incurred between March 15, 2022 and June 30, 2023. Expenditures incurred outside that time window are not eligible for reimbursement under this Program. For purposes of this Program, an expenditure is not “incurred” until the LEA or its affiliated Tribal or local government has paid it.

How it Works: During a quarterly Reporting Period, an LEA may draw down its Allocation and receive allocated funds by reporting eligible expenditures for reimbursement through the Program’s online reporting system. DOA will process these submissions and reimburse each LEA’s reported eligible expenditures from the remaining balance of its Allocation. The first Reporting Period is expected to occur during a two-week period in September 2022; they will occur on a quarterly basis thereafter until the completion of the Program.

Example: An LEA has a $20,000 allocation. During the September 2022 Reporting Period, it uses the online reporting system to report $8,000 in eligible expenditures incurred since March 15, 2022. DOA processes the reimbursement request and pays $8,000 to the LEA, leaving $12,000 in the LEA’s Allocation. In the next quarterly Reporting Period, the LEA submits another $7,000 in eligible expenditures. Those eligible expenditures are again processed and reimbursed, leaving the LEA with $5,000 of its Allocation remaining to reimburse expenditures reported in subsequent Reporting Periods.

Permitted Uses of Funds: The Program is intended to provide LEAs with additional resources to help offset certain costs associated with hiring, training, testing, and equipping law-enforcement officers, as well as updating certain technology and policies and implementing new crime-reduction initiatives. The following expenditures are eligible for reimbursement under the Program, subject to the limitations set forth in the MOU, this Program Schedule, and applicable state and federal law:

1. Recruitment incentives. The Program will reimburse the costs of certain financial incentives to recruit new officers, jail personnel, and dispatchers (referred to collectively below as “new hires”), as follows:
   a. The costs of a new hire’s academy or other formal preparatory training, to the extent the new hire’s training costs are reimbursed by the LEA following acceptance of employment.
   b. A signing bonus of up to $2,000 for each new hire.
   c. For each new hire whose most recent employer was an out-of-state governmental agency, an additional bonus of up to $500 for each year of relevant out-of-state experience as a law enforcement officer, jailer, or dispatcher, up to an additional $2,000. Thus, for a new hire from an out-of-state law governmental agency with four or more years’ relevant experience, this Program will reimburse the cost of providing a signing bonus of up to $4,000.
Each new hire who receives recruitment incentives that are reimbursed through this Program must provide the LEA with a written statement affirming that the new hire intends to complete at least three years' continuous employment with the LEA. The LEA is responsible for collecting and maintaining those statements; it does not need to provide copies of those statements when making reimbursement requests unless specifically requested by DOA.

Each LEA is responsible for conducting appropriate background checks on employment candidates. New hires with a record of misconduct are not eligible to receive recruitment incentives that are reimbursed through this Program.

2. **Medical testing.** The Program will reimburse the costs of job-related medical testing of officers, including physical examinations, hearing tests, drug tests, pre-employment psychological examinations, and other medical testing.

3. **Training.** The Program will reimburse the costs of providing training to help reduce violence and improve community safety, including programs to train officers in any of the following subject areas:
   a. Crisis intervention, including training for interactions with individuals suffering from mental illness and addiction.
   b. Resiliency and suicide prevention.
   c. Use-of-force options and de-escalation tactics, including scenario-based training aimed at stabilizing potentially dangerous situations to allow more time and options for safe resolution.
   d. Implicit bias.
   e. "Active bystander" training.
   f. The emergency detention process.
   g. Homicide investigation.
   h. Any annual recertification training required by the Wisconsin Law Enforcement Standards Board.

4. **Wellness and counseling programs.** The Program will reimburse the costs of providing wellness, counseling, or behavioral health programs or services to officers.

5. **Officer equipment, fuel, and technology, excluding weapons.** The Program will reimburse the costs of purchasing the following:
   a. Uniforms, duty belts, holsters, handcuffs, boots, bulletproof vests and other protective gear, radios, flashlights, and other equipment of a similar nature.
   b. License-plate readers, security cameras, and smart cameras, including thermal imaging cameras and vehicle-mounted cameras.
   c. Mobile data computers and equipment purchased for the purpose of improving wireless connectivity in LEA vehicles, such as mobile hot spots.
   d. Body cameras and body camera-activating holsters.
   e. Upgrades to public safety answering point (PSAP) systems or infrastructure.
   f. Any accessories, software, services (including installation), or specialized training needed to utilize items in categories 5.a to 5.e above.
   g. Up to 50 percent of the fuel and charging costs for LEA vehicles.

Weapons (including non-lethal weapons) and ammunition are not eligible for reimbursement through this Program.

6. **Temporary contract personnel.** The Program will reimburse the costs of retaining temporary contract personnel to assist with processing evidence, reducing backlogs, or other tasks that help LEAs conduct criminal investigations. When reporting these expenditures in the online reporting system, the LEA must identify the contractor used and the nature of the services performed.

7. **Sworn law enforcement officers, jail personnel, and dispatchers.** The Program will reimburse certain costs associated with sworn law enforcement officers, as follows:
a. The additional payroll costs associated with increasing part-time officers, dispatchers, or jail personnel to full-time positions.

b. For LEAs that adopt or engage in initiatives to reduce violent crime (including offenses involving firearms), the payroll costs of officers for time worked on such initiatives.

c. The payroll costs of officers for time worked on Crisis Intervention Teams.

d. For LEAs serving communities where the violent crime rate exceeds the state average, as identified in Appendix 1, the full payroll costs for new hires (as defined in paragraph 1 above) made on or after March 15, 2022.

8. **K9 units.** The Program will reimburse the costs associated with purchasing canines to assist officers with law enforcement functions, including any related training costs.

9. **Community policing initiatives.** The Program will reimburse costs associated with designing and implementing community policing initiatives, including training, equipment and technology (excluding weapons), temporary contract personnel, or other expenses associated with such initiatives. For purposes of this Program, “community policing initiatives” refer to place-based, community-oriented crime reduction strategies in targeted neighborhoods suffering from chronic crime issues.

10. **Initiatives to address carjacking and vehicle theft.** The Program will reimburse costs associated with designing and implementing initiatives to prevent and investigate incidents of carjacking and vehicle theft, including training, equipment and technology (excluding weapons), temporary contract personnel, or other expenses associated with such initiatives.

11. **Updating use-of-force policies to comply with Act 75.** The Program will reimburse costs associated with updating their use-of-force policies to comply with the standards set forth in 2021 Wisconsin Act 75, including any costs of training related to these standards.

Expenditures not included in the above categories are not eligible for reimbursement through this Program.

**Procurement limitations:** All expenditures submitted for reimbursement through this Program must comply with Grantee’s local procurement procedures and must avoid conflicts of interest, acquisition of unnecessary or duplicative items, excessive costs, or other waste.

**Payments:**

Grantee shall make requests for reimbursement payments by reporting eligible expenditures through DOA’s online reporting system during Reporting Periods.

Reimbursement payments shall only be made after the MOU has been fully executed by Grantee and DOA, the Grantee has reported expenses that are eligible for reimbursement in compliance with the MOU and this Program Schedule, and responses are provided by Grantee for any questions from DOA within timeframes designated by DOA.

DOA shall make payment by check or via Automated Clearing House (ACH).

Payments to Grantee that exceed allowable expenses pursuant to the terms of the Agreement, if outstanding at the expiration of this Agreement, shall be repaid to DOA within 60 days of the expiration date of the Performance Period. DOA, in accordance with State procedures, shall reconcile payments and report expenses.

**Records and Reporting:**

Grantee is responsible for maintaining records sufficient to demonstrate that the expenditures submitted for reimbursement are eligible expenditures under the MOU and this Program Schedule. Grantee will cooperate with
any inquiry and provide any relevant information or records requested by DOA or any of its authorized representatives relating to the expenditures submitted for reimbursement.

Grantee understands that DOA is required to submit quarterly and annual reports to the U.S. Department of Treasury pursuant to the American Rescue Plan Act of 2021. Grantee shall timely provide DOA with all information that may be necessary to comply with those reporting requirements.

Grantee must retain records for a period of at least five years after all ARPA State and Local Fiscal Recovery Funds provided by the Department of Treasury to the State of Wisconsin have been expended or returned to the federal government. Current law requires the State to expend or return such funds no later than December 31, 2026.

Administration:

The DOA employee responsible for the administration of this MOU with respect to this Program Schedule shall be DOA’s Administrator of the Division of Intergovernmental Relations or their designee, who shall represent DOA’s interest in review of quality, quantity, rate of progress, timeliness, compliance, federal reporting, and related considerations as outlined in this MOU.
