WHEREAS, a section of Kenosha County Trunk Highway (CTH) W, located between CTH F to just south of State Trunk Highway 50, has been closed since October due to the eroding bank of the Fox River and its relationship to an adjacent section of CTH W, and

WHEREAS, CTH W is a vital transportation link in western Kenosha County used by personal and commercial vehicles on a regular basis and its closing presents traffic issues in the area, and

WHEREAS, Kenosha County Highway Division staff have worked with a qualified engineering consultant and the Wisconsin Department of Natural Resources to investigate and develop a solution that will restore and protect the specific section of river bank that currently threatens damage to CTH W, and

WHEREAS, after analyzing a number of potential mitigation options, the solution identified will provide a robust, long-term solution for the limited area currently being impacted and is estimated to cost no more than \$300,000, and

WHEREAS, while it is in the County's and motoring public's best interest to address this specific erosion issue now to prevent more comprehensive and costly repairs of the area currently affected, and

WHEREAS, it is also recognized that continuing impact of storm water events on the Fox River Watershed and the proximity of other sections of CTH W to the river, supports a comprehensive investigation and analysis of potential erosion impacts to other sections of the roadway and development of a long-term mitigation plan, and

WHEREAS, such a comprehensive study will require a significant amount time to conduct the necessary investigation, research and analysis to develop cost-effective, robust, long-term strategies for addressing future erosion impacts on CTH W, and

WHEREAS, based on the information available to us at this time, Highway Division staff recommend budgeting for the comprehensive study as described above in 2021, but addressing the immediate threat posed to CTH W at a cost of approximately \$300,000, and

WHEREAS, the cost of this project is not included in the 2020 Highway Capital Budget and funding will come from bonding,

THEREFORE BE IT RESOLVED that the Kenosha County Board of Supervisors authorizes the Director of Highways to contract with a properly authorized service provider, process any paperwork or prepare the appropriate documents to execute the project mitigating the immediate bank erosion problem per the budget resolution that is attached and incorporated by reference.
