The impact of drug abuse affects the health, safety and economy of our communities. The South East Area Drug Operations Group (SEADOG) was formed to combat this problem in the region and to help coordinate the efforts of our stakeholders in the region in government, the private sector and the public. We recognize that our efforts must include education, treatment, and enforcement to be effective. SEADOG has engaged in an ongoing threat assessment of the drug problem in the region, gathering and sharing information from a wide variety of sources each with their own unique expertise. SEADOG is able to combine and share resources with other drug enforcement efforts such as Milwaukee HIDTA. As a regional drug enforcement task force, SEADOG is able to coordinate investigations of drug trafficking organizations, who operate in the region and beyond.
