To whom it may concern:

The following accident took place on March 3rd 2022 at about 1:30. I was at the stop sign making a right turn onto Washington road when I was rear ended by Daniel Drier, he got out of the car apologized and handing me his card. We proceeded to wait for police to arrive and a report was filed. The back of my car has major damage.

I demand that the cost of repairs is made for my car and also the cost of a rental car while my car is in the auto body shop for the weeks that my car will be there. (estimate from body shop is located in letter).

Sincerely,

Alexandria Green
