Name of the Commission, Committee or Board for which you are applying:

Kenosha County Director of Emergency Management

Personal Statement: Please indicate why you believe you would be a valuable addition to the Commission, Committee or Board for which you are applying. If more space is needed, please attach a separate sheet.

I would be a valuable addition in the position of the Director of Emergency Management as I have been a law enforcement officer for over twenty years serving in various roles. I have worked as a patrol officer, a front-line supervisor, the assistant deputy director, and for the past few years as the deputy director of Kenosha County Sheriff's Emergency Management. During this time, I have been able to supplement these roles with education and training in professional development, emergency management, and law enforcement.

I have displayed an ability to work on accomplishing goals and tasks in cooperation with others from the public, private sector partners, and other agencies that participate in emergency operations within Kenosha County. There have been many events that have taken place in Kenosha County in which I have participated. These include severe storms, tornadoes, large-scale power outages, special dignity events, civil unrest, protests, large-scale training exercises, and numerous high-profile crime scenes. I also have had experience in communicating effectively with members of the media and the public as the Public Information Officer at the Kenosha County Sheriff's Department.

My education, training, and experiences allow me to continue to manage the Kenosha County Sheriff's Division of Emergency Management in a way that will promote the participation of all in the coordination and implementation of emergency operations within Kenosha County.
