### Requirements for Federally Funded Grants

#### Data Universal Numbering System (DUNS) Number:

The federal government requires a DUNS number as part of the grant application to keep track of how federal grant money is awarded and dispersed. If your organization needs to obtain a DUNS number, go to <http://fedgov.dnb.com/webform>. You can also search this site if you cannot find your agency's number. Under normal circumstances, a new account can be created in 24-72 hours. The federal government has published DUNS Frequently Asked Questions at <http://fedgov.dnb.com/webform/displayFAQPage.do>. Check with your agency's financial office before registering for a DUNS number - it is likely your agency already has one.

#### Unique Entity Identifier and System for Award Management (SAM):

All applicants for this grant opportunity must be registered in SAM before submitting an application; and continue to maintain an active SAM registration with current information at all times during the period of performance for the grant.

WEM's website has a helpful guide for SAM registration.

[https://dma.wi.gov/DMA/divisions/wem/egrants/How to Register in SAM.GOV.pdf](https://dma.wi.gov/DMA/divisions/wem/egrants/How%20to%20Register%20in%20SAM.GOV.pdf)

**WEM cannot award a grant until the applicant has complied with all applicable DUNS and SAM requirements.**

#### **1. Main Summary**

This page asks for information about your agency and the individuals responsible for the application and grant award. When identifying individuals involved in this grant, you may not list the same person as project director and financial officer. An Alternate contact may be added to the application. This person is one that can and should access the application to complete required tasks such as modifications and reports, in the absence of the Project Director. If possible, we encourage the Project Director to list an alternate on the grant.
