Lake Benedict/Lake Tombeau Management District

Personal Statement: Please indicate why you believe you would be a valuable addition to the Commission, Committee or Board for which you are applying. If more space is needed, please attach a separate sheet.

To whom it may concern

I have an extensive love and knowledge of nature in general. I grew up with the Nippersink creek in our backyard beginning in 1976 in Spring Grove, IL which is in part fed by Lake Tombeau. We have lived at our current address since 2010. Lake Benedict/Tombeau were a major consideration in our purchase. I'm a life long fisherman/outdoorsman. As a frequent summer and winter fisherman, I can give accurate reports of fishing quality, the development of stocked fish and fish health in general. I read weekly about invasive species impact in Wisconsin and surrounding states. I am an wildlife photographer, who specializes in waterfowl and birds of prey that frequent our lakes and their presence has increased in the last few years.

My work experience with management, budgeting, purchasing and estimation could be beneficial in upcoming maintenance, weed control or stocking efforts.

I can provide a common sense approach to help make the right decisions for our beautiful lakes. Your consideration for this position is greatly appreciated!

Thanks!

Alex Wiezbicki
