Personal Statement: Please indicate why you believe you would be a valuable addition to the Racial and Ethnic Equity Commission.

I believe I would be a valuable addition to the Racial and Ethnic Equity Commission being that I have been a resident of Kenosha for over 30 years and have experienced some racial issues with the community. I feel I would be a great advocate to help bridge the gap with the racial issues and tension in the local community and try to help teach and educate the community on some of the issues that many have been faced with.

Conflict Of Interest: It would be inappropriate for you, as a current or prospective appointee, to have a member of your immediate family directly involved with any action that may come under the inquiry or advice of the appointed board, commission, or committee. A committee member declared in conflict would be prohibited from voting on any motion where "direct involvement" had been declared and may result in embarrassment to you and/or Kenosha County.
