The History Center is also holding a fundraiser on September 11, 2007. The Little League Ball Park in Brighton is not quite ready for play. He has received a letter from the office of the Commission of Railroads that agrees with the Town of Somers to have new signals put up on County Highway "A" and County Highway "L" which would be the Union Pacific Railroad. If that happened the county could no longer consider those County Highways and they would have to be maintained by the Town of Somers.
