Supervisor Clark said under Employee Benefits Contract, he wants the type and level of coverage to be included for the county board. Chairman Molinaro said you cannot just give all the authority to the county executive.

Supervisor Clark wants to beef up the appeals section. He questioned having the appeal made to a county department head if the appeal concerns his department.

Regarding section CO-1.11, Molinaro wants the change order percentage figure applied to the amount of the contract, not the budgeted amount. Volpintesta will incorporate tonight's changes into the document and will bring it back to the next meeting.
