3. Discussion and Approval of 2012 Dept. of Human Services Budget - (on tape at 14:45)

**Jeff Gentz moved to approve the 2012 Budget as presented, seconded by David Arrington.** Mr. Gentz stated that we can't carry over the \$800,000 to 2012. There is a County Board resolution that all extra funds must be returned back to the General Fund.

**Terry Rose moved to amend the proposed 2012 budget to recommend that the \$800,000 surplus be used for levy reduction in 2012. Erin Decker seconded.** Mr. Rose disagrees with Mr. Gentz, stating that the general public deserves levy reduction.

Doug Noble explained that this is a recommendation to the Finance Committee. He has spoken with Al Swartz and Dave Geertsen in Finance about this, and we can do this.

David Arrington stated that he has not liked the entire process since the new Governor. The decision to leave this balance the way it is right now is safer. Leave it the way it is.

Erin Decker supports the budget as presented but asked what happens after the \$1.5 million funding from the State for 2012 and 2013 has ended. John Jansen replied that we are continuing conversations with the State on this issue.

Mr. Rose stated that this County Executive won't use reserves to fund the budget. If the \$800,000 hits the General Fund, the County Executive will not use it to fund services in the budget.

Mr. Gentz thanked the public in attendance for giving input on these matters. The DHS staff put together a very good budget. We will have a bigger hole next year if we use the \$800,000 now. It's better to be safe than sorry. He will not support the amendment to this.

David Celebre stated that he will oppose the amendment. He supports the original motion to approve the 2012 budget as presented. The move to plug the hole today is shortsighted in the long-run. It is more fiscally prudent to adopt the budget as presented. The Department has done a very responsible job and he will approve the original motion.

Terry Rose cautioned that Human Services staff should not assume that this \$800,000 will be used for Human Services next year.

Mr. Noble doesn't think this will create a bigger hole. He will support the \$800,000 amendment.

**Roll call vote was taken on approval of the amendment to the proposed 2012 budget to recommend that the \$800,000 surplus be used for levy reduction in 2012.**

Those opposed to the amendment: Jeff Gentz, Erin Decker, David Arrington, David Celebre, Ed Kubicki
