Capt. Preston presented the resolution to accept \$23,581 from the WI Dept. of Transportation for the first six months of the program. The project will be facilitated by Wisconsin Community Services, Inc. (WCS). In lieu of incarceration, in an effort to effectively deter repeat offenses, repeat DWI offenders will be screened by WCS to receive intensive counseling treatment, supervision, and testing to be sure participants remain compliant with bond conditions. This program is now in its 12<sup>th</sup> year. Program is funded by the DOT grant, client fees collected by WCS, KSD in-kind match, and KSD hard match authorized in the 2009 budget.
