Policy Resolution – Second Reading, Two Required

POLICY RESOLUTION 1

1. From The Finance & Administration Committee A Resolution 2022 Kenosha County Budget

It was moved by Supervisor Gentz, seconded by Supervisor R. Frederick, to adopt Policy Resolution 1. Supervisor Kubicki requested the following be read into the record: "As you all know, I am the Executive Director of Kemper Center, Inc. Since taking that position, I have taken great care to remove myself from any County Board or County Board Committee actions or discussions regarding not only Kemper Center Inc., but the Kemper property itself. I feel that this is appropriate to ensure that there is not even a perception of a conflict of interest. Accordingly, I am advising that I will not engage in any debate related to Kemper and that when I cast my vote in favor of this budget this evening, it includes an abstention on those portions involving appropriations for Kemper, and I ask that the record reflect so."

It was then moved by Supervisor Berg, seconded by Supervisor Gaschke, to amend Policy Resolution 1 to add the Equity, Diversity and Inclusion Coordinator position back in the budget at the originally proposed E9 grade.

Supervisor Pomaville requested the following be read into the record: "I am the Executive Director of The Sharing Center. The Sharing Center, like many non-profit organizations that meet critical social service needs for the county residents, has the ability to apply for grants awarded by Kenosha County. These grants are in the human services budget. So in the interest of avoiding any perception of a conflict of interest, and in an overabundance of caution after consulting with the Corporation Counsel, I am advising that I will not engage in any debate directly related to those grant funds; and that when I cast any votes this evening, it includes an abstention of those portions involving grants which could potentially go to organizations such as The Sharing Center, and I ask that the record so reflect."

Several Supervisors spoke in favor and also some spoke against said amendment. Director of Human Resources, Clara Tappa, answered questions of the Board. Supervisor Rodriguez then asked Corporation Counsel if the maker of the motion could amend his motion to make the position a "stand-alone position". Corporation Counsel stated that he could.

Supervisor Berg then agreed to amend his motion to include, "the position would be a stand-alone position". This motion was agreed to by the seconder of the motion, Supervisor Gaschke. Supervisor Berg then repeated the motion for the clerk, "To put back in the Equity, Diversity and Inclusion Coordinator position at the E9 rate as a stand-alone position". Corporation Counsel clarified what "stand-alone position" means, stating that the position would report directly to the County Executive, rather than reporting to the Director of HR. Supervisor Rodriguez and several other Supervisors requested that the position also report to the County Board. Discussion continued, questioning whether there would be an oversight committee that this position would report to.

It was moved by Supervisor Rose to Move the Previous Question. Motion died for lack of a second.

Discussion continued among the Supervisors along with additional questioning of Director Tappa.

Supervisor Rodriguez then clarified that when asking for the motion to be amended to make the position a "stand-alone position", that he wanted the position to report to the County Board. In light of the discussion, he realized it wouldn't be the best course of action; therefore, he would no longer support that amendment.

It was then moved by Supervisor Rose, seconded by Supervisor Gentz to Move all Previous Questions. On roll call vote (2/3 required), motion failed (15-8), with Supervisors Belsky, Gaschke, Rodriguez, Berg, Nudo, Gulley, Wamboldt and Nordigian voting nay.

Supervisor Gaschke then asked Supervisor Berg if he would be willing to rescind his amendment so that the EDI position would go back under the supervision of HR. After additional discussion, Supervisor Berg rescinded his amendment of having the position classified as a "stand-alone position". The seconder of the amended motion, Supervisor Gaschke agreed. The Clerk reread the motion for the record, "Motion to put the EDI Coordinator Position at E9 wage level back in the budget".

It was then moved by Supervisor Grady, seconded by Supervisor Rose to Call the Question. On roll call vote (2/3 required), motion carried (20-3), to end debate, with Supervisors Kubicki, Rodriguez and Nudo voting nay.

Immediately after, a vote was initiated on the previous motion to amend Policy Resolution 1 to include the EDI position at E9 wage level back in the budget. On roll call vote, motion carried (13-10), with Supervisors Grady, Gentz, Celebre, Kubicki, Nudo, Maurer, Wamboldt, Yuhus, Nordigian and Decker voting nay.

On roll call vote, the original motion by Supervisor Gentz, seconded by Supervisor R. Frederick, to adopt Policy Resolution 1, as amended; carried (21-2), with Supervisors Decker and Nudo voting nay.
