**WHEREAS**, the Kenosha County Board of Supervisors on August 17, 2017 passed a resolution calling for nonpartisan legislative and congressional redistricting maps; and

**WHEREAS**, pursuant to Article IV, Section 3 of the Wisconsin Constitution, the Wisconsin Legislature is directed to redistrict state legislative districts "according to the number of inhabitants" at its next session following the decennial federal census. The legislature also reapportions U. S. congressional districts at the same interval pursuant to federal law; and

**WHEREAS**, recent polls indicate that as many as 72% of Wisconsin voters are concerned about the practice of partisan redistricting by whichever party holds the majority, because it may stifle political participation and competition, discourage collaboration and compromise, and lack the fairness necessary to our democratic process, by undermining the principle of one person one vote.

**WHEREAS**, the current procedure allows the legislature of the majority party to prepare redistricting plans and maps that may result in unfair partisan representation, allowing the legislature to choose its voters rather than the voters choosing their representatives, which is commonly called gerrymandering.

**WHEREAS**, the U.S. Supreme Court has refused to rule on several high profile state gerrymandering cases, including one in Wisconsin and, as a result, has left this issue to be determined by state legislatures and courts.

**WHEREAS**, 50 Wisconsin counties have passed resolutions in support of nonpartisan redistricting, including 8 counties that have also passed county wide referendums.

WHEREAS, Governor Evers in his most recent State of the State Address is moving forward with an executive order to address the problem of gerrymandering with a non-partisan commission in order to produce a "Peoples Map" that will be submitted to the legislature next year.

*Amended March 3 2020*

\* ~~NOW, THEREFORE, BE IT RESOLVED~~, that the Kenosha County Board of Supervisors, in legal session assembled does hereby approve that the following question be placed on the November 3rd, 2020 ballot as an advisory referendum question. Question: ~~Should the Wisconsin legislature create a nonpartisan procedure for the preparation of state legislative and U.S. congressional district maps? YES \_\_\_\_\_ NO \_\_\_\_\_; and~~

**BE IT FURTHER RESOLVED**, that the Corporation Counsel prepare a Notice of Referendum to be published by the Kenosha County Clerk in accordance with statutory requirement; and
