Behavioral Health Resource Fair set for Saturday, Oct. 24

KENOSHA — The public is invited to a Behavioral Health Resource Fair, to be held from 10 a.m. to 1 p.m. this Saturday, Oct. 24, at Holy Spirit Community Church, 5900 11th Ave., Kenosha.

The Kenosha County Division of Aging and Disability Services is hosting the fair in partnership with Holy Spirit and Kenosha Human Development Services.

Professionals representing a wide range of providers and organizations will be on hand to offer information about where people can turn for mental health care, counselors, substance use issues and crisis services.

“Kenosha County is fortunate to offer many options for individuals and families experiencing mental health difficulties,” said Rebecca Dutter, director of the Division of Aging and Disability Services. “Our aim with this fair is to make people aware of what’s available, and hopefully help to make some meaningful connections.”

Fair vendors will be located indoors and outdoors, weather permitting. Wearing of masks will be required and state-imposed capacity limits will be enforced indoors.
