

## 2022 Annual Kenosha County Parks Department Scuba Diving Permit Application

This permit application is to be completed and approved by the County Park Manager/Director or designee/duly authorized Kenosha County employee before the applicant may engage in scuba diving within Kenosha County Veterans Memorial Park property. This is pursuant to Kenosha County Ordinance 10.04(8) and in accord with Kenosha county Ordinance 10.05. It is the applicant's responsibility to complete this application and have it filed and approved by the Parks Department. All Parks rules and County Ordinances must be followed if permit is granted including park hours. Kenosha County reserves the right to limit scuba diving activities due to recreational conflicts or safety concerns. Closures and restrictions of scuba diving activities will be posted at the Kenosha County Veterans Memorial Boat Launch and online informing the public of such closures.
