**Kenosha County Durable Medical Equipment Loan Closet in Need**

**Kenosha, WI**—Kenosha County Aging & Disability Resource Center (ADRC) is pleased to announce the reopening of the free Loan and Supply Closet for those in need of durable medical equipment and supplies. Due to closing during the pandemic the closet's stock is very low. Items most needed include:

- Rollators and walkers
- Bath benches
- Shower chairs
- Manual and transport wheelchairs
- Commodes
- Bed rails
- Incontinence supplies, all sizes of pull-ups

Individuals needing durable medical equipment for either short-term or long-term use, who are not enrolled in one of Wisconsin's long-term care programs, such as Family Care, IRIS and Partnership may contact the ADRC to request an item.

If you have gently used or new items you wish to donate, or are in need of medical equipment or supplies, please call Steve at the ADRC, 262-605-6667, Monday – Friday, 8 a.m. – 5 p.m., to make arrangements. While the ADRC takes additional steps in sanitization, for everyone's safety, we ask that all items be cleaned and sanitized prior to donation.
