

# We Take Pride in Serving You!

## Our Mission

Inspiring hope and promoting health,  
and quality of life.

## Our Vision

A world where all people are understood, valued  
and supported to live their best life possible.

## Our Values

**PEOPLE FIRST** – Everyone is an expert on their  
own life. We commit to listening to and  
empowering people and removing barriers.

**ADVOCACY** – We commit to equity,  
fairness, dignity and potential. We speak  
out when needed and work for change.

**KINDNESS** – We commit to treating  
everyone with compassion and  
respect through word, tone, and action.

**PARTNERS MATTER** – We do more  
together than alone.

**TRUSTWORTHY** – We strive to be  
objective, reliable, and accurate in  
our stewardship of the public good.

**LEARNING TOGETHER** – We never stop  
seeking to serve better.
