

COUNTY HIGHWAY S EAST FRONTAGE ROAD TO WIS 31

Project Update

August 5, 2021

Kenosha County, in partnership with the Wisconsin Department of Transportation (WisDOT), is underway with reconstructing County Highway S from the Interstate 94 East Frontage Road to WIS 31, with scheduled completion in late fall 2021. The following work is scheduled for the next phase of this project.

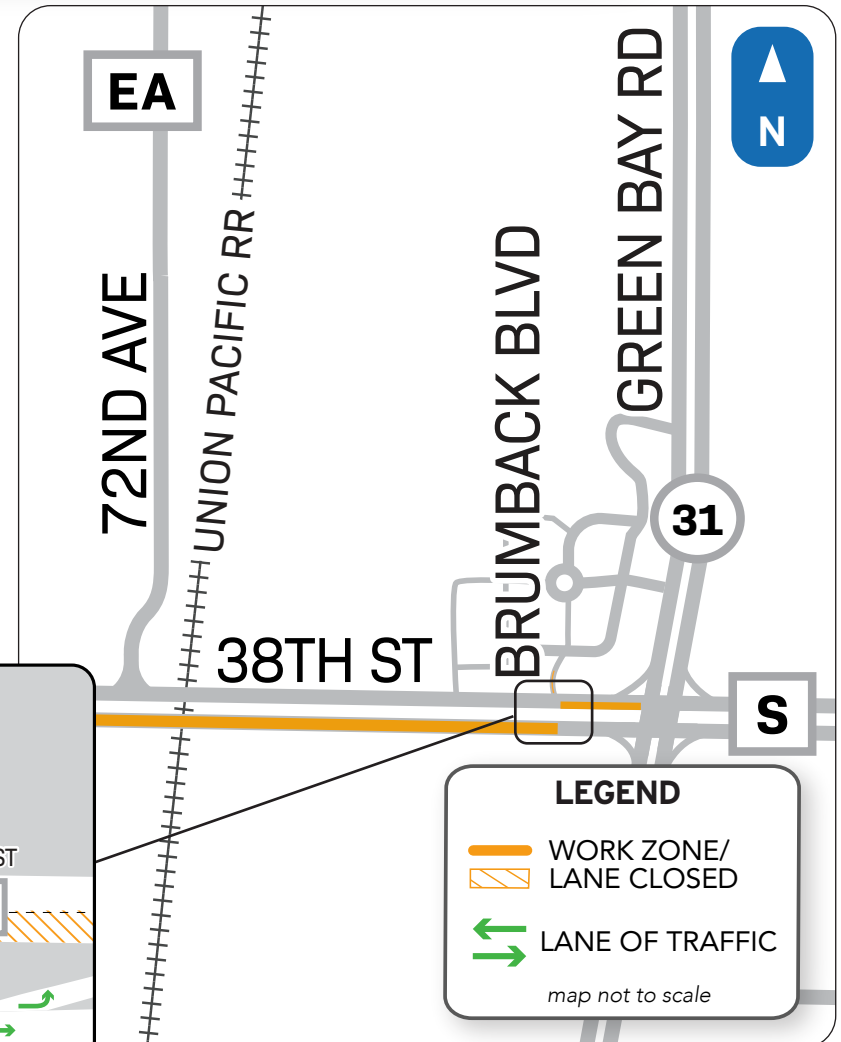

UPCOMING CLOSURES

Week of August 9th:

- Southbound Brumback Boulevard is scheduled to be reduced to a right-turn only onto westbound County Highway S for approximately two weeks while crews work to complete the storm sewer and intersection pavement.
- Motorists are encouraged to utilize an alternate route to get around this closure.

Please note that all work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
