Review/Discussion of Preliminary Maps: Chairman B. Frederick advised no changes had been made to the maps since the last meeting, pointing out that the committee had not made any requests of staff to do so. He further noted that there had been no direction from the County Board relating to changing the size of the Board. Significant discussion ensued surrounding the question of placing two incumbents in the same district and whether that situation could be addressed. Noted that historically there has been an effort to avoid pitting incumbents against one another if the situation could be avoided. Discussion ensued about natural boundaries and communities of interest and relative sizes of districts.

Supervisor Franco made a motion to direct staff to prepare a third map where the two incumbents currently placed in the same district are separated into individual districts in order to see what impact it has on other districts. Second by Supervisor R. Frederick. All Aye. Motion carried. Next meeting to be scheduled for Friday, September 10, at 6:00.

REDISTRICTING COMMITTEE
August 31, 2021

Members Present: B. Frederick, Kubicki, R. Frederick, Franco, Pomaville

Call to Order: The meeting was called to order by Chair Boyd Frederick at 5:00 pm.

5:00 PM

Approval of Minutes: The minutes of the August 25, 2021 meeting were unanimously approved.

5:02

Review/Discussion of Preliminary Maps: Chairman B. Frederick made preliminary remarks commending staff for the work done to ensure that the committee would have something to review.

Scott Schutze, Director of Land Information, provided background information on the process of receiving the data from the state and the work that County staff has to undertake before drawing can begin. He also reported that the City and the Village of Pleasant Prairie intend to draw their own ward maps. Other municipalities will likely seek assistance from County staff.

5:17

Maps were handed out to the committee for their initial review. Several of the Supervisors observing the meeting had questions about the process, including inquiring why two incumbents (Decker and Nordigian) had been placed in the same district. Schutze indicated that they followed the population data. Chairman B. Frederick asked staff to see if the two supervisors could be separated into individual districts. There was some discussion about maintaining integrity of municipalities and whether that was as important as a geographical distinction between east and west of the interstate. Supervisor Rose noted his desire to have coterminous districts with the City. A discussion was had about the inherent challenges in doing so when the number of City districts was smaller than the number of aldermanic districts. Some discussion was had by Supervisors attending the meeting about raising the total number of Supervisory districts.

Adjourn: **Supervisor R. Frederick made a motion to adjourn, seconded by Supervisor Kubicki. All Aye. Motion Carried**

Meeting adjourned at 6:15pm.

Respectfully submitted,

6:10 PM

Call to Order: The meeting was called to order by Chair Boyd Frederick at 6:10 pm.

Presentation on Redistricting Process and Timeline: Corporation Counsel Joseph Cardamone and Land Information Director Scott Schutze made a presentation about the requirements of the law and the current census figures. Mr. Schutze noted that there were no maps yet as they were continuing to process numbers. Maps showing minority populations/concentrations were shared with the committee. Various questions about the process were posed and answered. The proposed timeline was shared, noting that it mirrors the timeline suggested by the Wisconsin Counties Association, and calls for a public hearing and approval by the Board of the tentative plan on September 15. Some discussion was had about how the work of the municipalities would play into the proposed timeline and what the County would do if a municipality failed to return information in a timely fashion.

Supervisor Pomaville made a motion to approve the proposed timeline. Seconded by Supervisor Kubicki. All aye. Motion passes.

Discussion ensued about future committee meetings. Proposed dates were September 2 and September 8. September 2 date posed problems for one supervisor and was amended to August 31.
