

Memory Screen Mondays

Memory Screens:

- ∞ Provide relief for individuals concerned about normal memory loss
- ∞ Lead to diagnosis of treatable conditions
- ∞ Offer the ability to make lifestyle changes early when they have the greatest potential for positive effect and the opportunity to participate in making future decisions

Screening results are not a diagnosis. Individuals who have concerns are encouraged to pursue a full medical exam.

8 a.m. - noon

Appointments recommended.

Call the ADRC: 262-605-6646.
