Kenosha County government to offer services, executive office hours at County Fair

WILMOT — Kenosha County government is going on the road to the County Fair, County Executive Samantha Kerkman announced today.

Kerkman, along with representatives of various county divisions, will be available to meet with the public during office hours throughout the fair's five-day run — this Wednesday, Aug. 17, through Sunday, Aug. 21.

The county activities and resources available at the fair will include free Narcan training, information about behavioral and public health services, veterans services, workforce development, careers with Kenosha County, and more.
