Public Works / Facilities Committee Golf Division Status Report for November 2022

General:

- We officially closed Brighton Dale Links and Petrifying Springs GC Saturday November 12th due to the cold weather. We had a tremendous golf season due to excellent golf course conditions and the nice weather.
- Our next big initiative is the “Special Holiday Golf Clearance Sale” at Brighton Dale Links. We consolidated all remaining Kenosha County Golf merchandise for this event. Hours of operations will be 11AM to 7PM Monday thru Friday and Saturday-Sunday 9 AM -2:30 PM.
- We are looking forward to a productive off season, booking group events, restocking the golf shop, tuning up the equipment, freshening up the clubhouses, organizing and getting ready for the 2023 golf season.

Events and Outings:

- **Brighton Dale**

Monday, November 28th: Special Holiday Golf Clearance Sale begins.

Saturday, December 24th: Closed

Sunday, December 25th: Closed

Saturday, December 31st: Closed

Sunday, January 1st: Closed

Projects:

- **Creating Request for Proposals**

Project overview: We have created RFPs for the Red Pines Nine irrigation system.

- **Indoor Golf Simulator**

Project Overview: We set up the golf simulator equipment which works in conjunction with our Flight Scope Launch Monitors at Brighton Dale Links Clubhouse. This allows our patrons to enjoy golf, take lessons, work on improving their game and get fitted for new equipment. The system enables patrons to “virtually” play golf at some of the most recognizable courses in the world.

- **Tree/Brush Removal**

Project Overview: All courses have large dead trees in critical areas around the course that are being removed this fall. Staff will also be clearing out buckthorn underbrush and the grow-back in the areas that were brushed-out previously.

Timeframe: Continue through December

- **Winterization**

Project Overview: Staff has completed the winterization of the irrigation systems on all 63 holes (both courses) the week of November 14th. Staff has also winterized the Clubhouses and Maintenance Shops.

Timeframe: November
