## **Golf Division Update**

Rounds Played (as of 8/21/23): 79,375

Rounds Played (as of 8/31/22): 79,101

## **General**

- Golf rounds remain above the pace of 2022, and the month of September is expected to be very busy with both outings and league play
- Managers continue to actively recruit staff for the fall as most of our school-age seasonal employees exit for the year
- The golf courses have held up extremely well to high levels of play and some extreme weather. Conditions continue to be very good.

## **Projects**

### **Red Pines Irrigation**

- A pre-construction meeting was held on 8/25 with all involved parties (contractor, designer, architect, and BDL staff)
- Future renovation plans will be considered as the new irrigation system is installed.
- Tentative goal for the start of the project is September 15<sup>th</sup>.

### **Red Pines, Practice Facility, and Blue Spruce Improvements**

- Preliminary design work for Red Pines and Practice Facility work has been completed, and cost estimates have been included in the CIP
- Preliminary design work for Blue Spruce improvements is expected to be completed this fall, and cost estimates have been included in the CIP

### **Petrifying Springs Maintenance Facility and Brighton Dale Storage Building**

- Preliminary planning is in progress
