County Clerk's Office to hold Special Event Passport Day at Kenosha County Center in Bristol

Kenosha County Clerk Regi Waligora is announcing her office's first-ever Special Event Passport Day at the Kenosha County Center on Friday, Dec. 8.

This event will offer people the opportunity to apply for U.S. passports at the centrally located County Center in Bristol. Usually, the clerk's office is only able to offer this service at the county Administration Building in downtown Kenosha.

"As many families are preparing for spring break travel plans, this is a great opportunity for the County Clerk's Office to bring a valuable service to our residents in the western portion of our county," Waligora said. "This will be the first of several such events at the Kenosha County Center that we intend to hold throughout 2024."

Passport applications for first-time and minor applicants will be accepted on behalf of the U.S. Department of State. Passport photo services will also be available onsite.

This event will be held from noon to 4 p.m. Dec. 8. The Kenosha County Center is located at 19600 75th St., Bristol.

Pre-scheduled appointments are recommended. Walk-in applications will be accepted if time allows; applicants with appointments will be served first.

Please contact the Kenosha County Clerk's Office at 262-653-2552 or by email countyclerk@kenoshacounty.org to schedule an appointment to apply for your passport. Office staff will then email all the information, applications, and requirements to the applicant.

"For those who are unable to attend the Special Event Passport Day, we process passport applications daily at our downtown location," Waligora said. "Contact our office to schedule an appointment or check out our website for more information."
