Durable Medical Equipment (DME) is any medical item that can be used in the home. The companies listed below may provide you with home medical equipment, supplies, services, and some offer repairs. Be sure to ask about if there are any extra shipping or delivery charges. Generally delivery costs are built into the cost of items depending on your insurance. Some items you pay cash for may have added delivery costs. Call vendors for specific details.

****Note:** Medicare has changed how much Medicare pays for certain durable medical equipment and changed to which suppliers Medicare will pay to supply these items to you.
