

Sharps Disposal Locations – Kenosha/Racine Area

All Aurora Pharmacies will accept sharps and needles. They must be in sharps containers. The pharmacies sell the containers. If you are an Aurora customer, you may turn in your filled container and receive a new one at no charge. Other pharmacies also sell the sharps containers and exchange full ones for empty containers if you purchased the container at their store.

The following facilities are current for the collection of sharps containers in Kenosha/Racine Counties as of 2018

PLEASE CONTACT FACILITY TO INQUIRE IF THERE IS A DISPOSAL FEE
