Our Program

This is a grant program that seeks to reduce lead paint hazards in homes built before 1978.

Owner occupied and rental homes are welcome to apply. Units with children under the age of 6, pregnant women or residential daycare facilities will receive priority.

Lead poisoning, even at low levels, can cause learning disabilities, behavioral issues, or brain damage.

Income Guidelines

The tenants' income must not be above the income guidelines listed below:

Family Size	Racine	Kenosha
1	\$51,200	\$53,050
2	\$58,500	\$60,600
3	\$65,800	\$68,200
4	\$73,100	\$75,750
5	\$78,950	\$81,850
6	\$84,800	\$87,900
7	\$90,650	\$93,950
8	\$96,500	\$100,000

*these incomes are based on 2023 income qualifications

Owner Requirements

In order to qualify, owners must meet the following requirements:

- No outstanding taxes or child support payments
- Program can possibly pay up to 85% of construction costs
*\$20,000 max construction cost per unit
- All those listed on deed must sign application and contract
- Agree to 3-year lien on title – home cannot be sold during this time or risk paying total construction costs

Tenant Requirements

Those living in the home must be willing to participate in the program and work with the program staff. Steps to sign up the home in the program include:

- Attend an income verification appointment
- Supply identification for all those living in the home (e.g. photo ID, Forward Health card)
- Provide proof of income (e.g. pay stubs, W-2)
- Have children under the age of 6 complete a blood lead test
