

# Parents as Teachers

*Vision: All children will learn, grow and develop to realize their full potential.*

**Do you know how you help your children learn, grow and develop to realize their full potential?**

**We can help!**

Parents as Teachers, through Kenosha County Division of Health, is a voluntary home visitation program for expectant women and their children through age three.

**A nurse will partner with the family to support, encourage, and provide education during the pregnancy and until the child is three.**

**As a Parents as Teachers family you receive:**

*Personal Visits*

*Fun Family Events*

*Infant & Child Developmental Screenings*

*Resource Network*

The program is free and open to Kenosha County residents that meet income requirements.

You and your baby deserve the support Parents as Teachers offers. Give your child the best possible start in life because your baby was born to learn!
